

## THE 10 DOGMAX RULES OF DESIGN IN SUMMER SEMESTER 2007

1. Only materials may be used that are stocked at bauMax.
2. Experiments are to be carried out on a scale of 1:1.
- 3. No electricity is to be used in the drawing process.
4. Permitted for drawing are only the Pentel Sign Pen and the COPIC colours C02S, C04S, C06S (Copic SKETCH).
5. Only original hand-drawn sketches are to be presented. No manipulated scans.
6. All designs are to be based on archetypes: tower, tent, ship, castle, barn, church, bunker, factory etc.
7. All drawings are to be submitted on DIN-A3 format.
8. No more than 2 students are to work on the 1:1 realisation of the designs.
9. The Easter Vacation is working time.
10. The 1:1 modules must be transportable and not exceed prescribed dimensions.
